Last par speed figure and overall speed. Sole top figures are in bold type; figures enclosed in a box are best by a large margin; and figures in green signify peak form.

Last late speed ration (LSR). A superior figure is highlighted in dark green, while a good number is highlighted in light green. If a horse possesses dominant overall LSRs, his latest figure is enclosed in a box. If none of the horse's last three figures meet the race par, the current number is displayed in red.

Two-year win rate, class rating (bold type indicates the best in the field), and workout rating. Arrows denote horses running for a higher (↑) or lower (↓) purse today than they did last time. Ratings in green are particularly significant.

Current form rating (positive in green and negative in red), recent form cycle (positive in green, negative in red, unknown in grey), track and days since last race. Green text indicates last race was run at exactly today's distance.
