Last par speed figure and overall speed. Sole top figures are in bold type; figures enclosed in a box are best by a large margin; figures in green signify peak form; and figures in red indicate that no recent race met today's par.

Last late speed ration (LSR). A superior figure is highlighted in dark green, while a good number is highlighted in light green. If a horse possesses dominant overall LSRs, his latest figure is enclosed in a box. If none of the horse's last three figures meet the race par, the current number is displayed in red.

Current form rating (positive in green, negative in red, and ratings earned on a different surface in gray), recent form cycle (positive in green, negative in red, and unknown in gray), track last race was run at, and days since that effort. Green text indicates that the entrant's last race was run at exactly today's distance.
